# BioPark Beginnings

## For ages 0-6

Explore the amazing world of animals and plants at the BioPark's Rio Grande Zoo, Albuquerque Aquarium and Rio Grande Botanic Garden! Preschool children and one accompanying adult will play games, create fun works of art, sing songs and of course, visit the exhibits. Come take a peek in the ocean, take a walk on a farm and discover animals from around the world. Activities for a wide range of ages are facilitated with active parent participation.
